

## Product Description

Long life halogen - 6000 hours

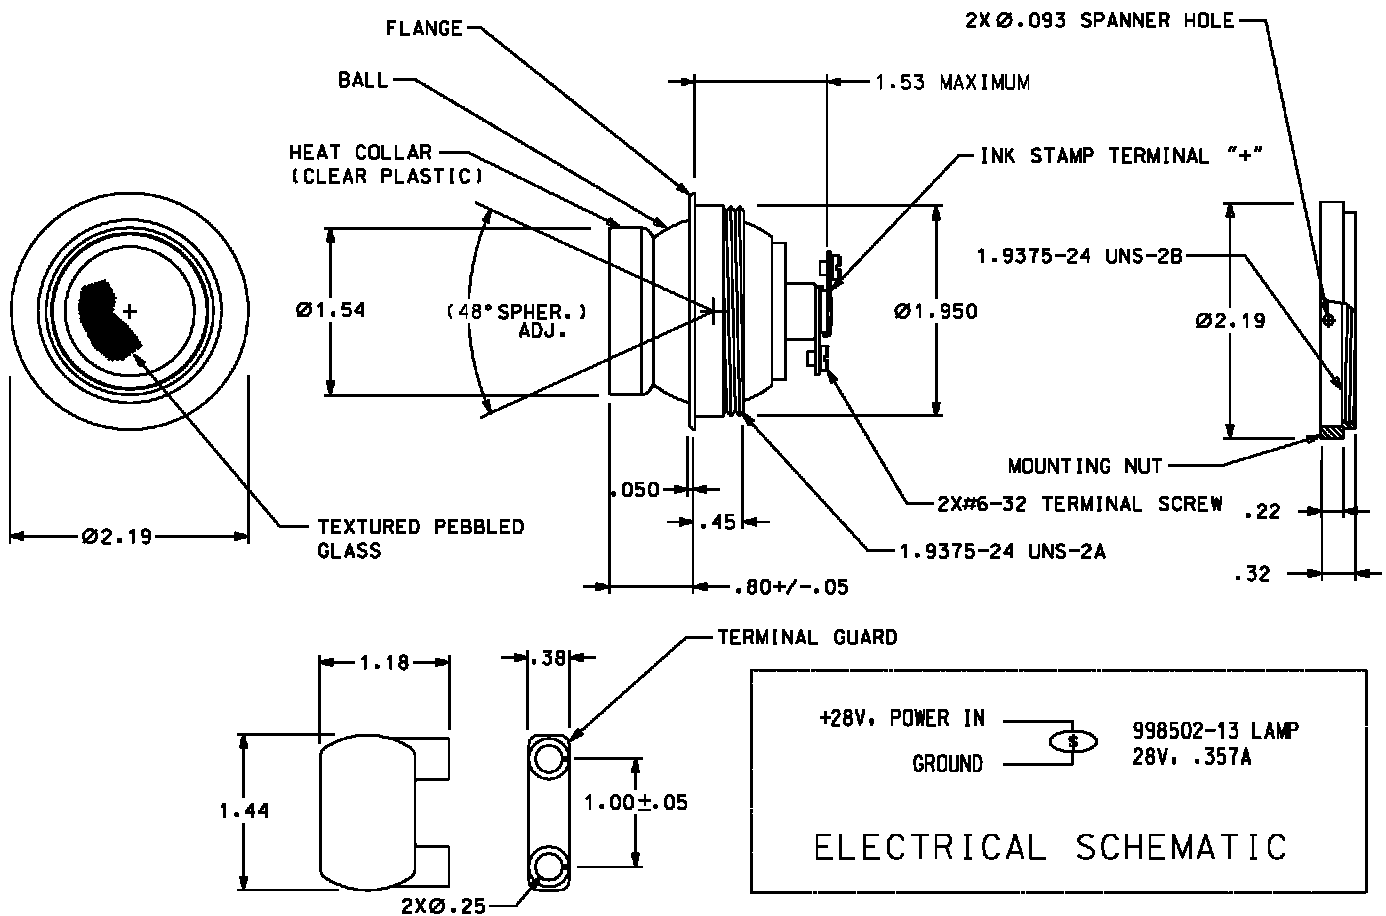

Operates on 28V AC or DC

Light weight aluminum construction

48 degrees of spherical adjustment

Custom plating available

Mounting nut type installation

The RL6810 halogen reading light is designed for main cabin areas on general aviation aircraft. A long life Welch Allyn® halogen lamp is used in the assembly which provides a warm color spot that enhances interior surrounding. The reading light is provided with screw terminals for interface to the aircraft wiring systems and an elastomer terminal guard for terminal protection. A mounting nut is also provided for installation.
