

CERTIFICATE OF RECOGNITION

Birk Aerosystems

This is to certify that **Birk Aerosystems** has been recognized
by the Editorial Board of **Aerospace and Defense Review** as

EDITORIAL ATTESTATION:

This recognition is determined through a bona fide editorial process based on the Aerospace and Defense Value Assessment Model and its defined methodology. It draws on independent editorial research, subscriber nominations and industry input, assessing impact on mission readiness, engineering performance, system reliability and execution in highly regulated, security-sensitive environments.
